## Special Inspection Certificate

### A. PROJECT IDENTIFICATION

Project: \_\_\_\_\_ Date: \_\_\_\_\_

Address: \_\_\_\_\_ Kingman, AZ Permit No.: \_\_\_\_\_

### B. DESIGNATION OF SPECIAL INSPECTOR BY THE OWNER *(To be completed by owner)*

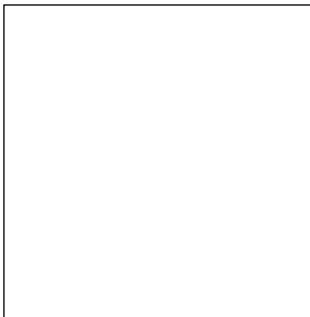

In compliance with Section 1704.1, of the **2012 International Building Code** as adopted, which requires the owner or agent to employ a Special Inspector to be present during the construction on the types of work listed under **2012 IBC** Section 1704. I do hereby designate the following Special Inspector to be in responsible charge of the Special Inspections of the above project. I also authorize the City Building Department to retain and provide one set of approved plans to the Special Inspector.

### D. Certificate of Compliance *(To be completed and returned to the Building Official after all Special Inspections are complete)*

I certify that, to the best of my knowledge, the structural requirements of the City of Kingman Code and the approved plans and specifications have been complied with insofar as the portion of the work requiring Special Inspection is concerned, except for those deviations that have been previously reported and resolved. This Certificate of Compliance is supported by the accompanying **Final Report** sealed by the Special Inspection Agency Engineer and includes: 1) a complete log of all daily inspections, 2) all lab test results, 3) Pad Certification(s), 4) each Non-compliance and its resolution; as applicable to the project.
